## INTRODUCTION

Founded and incorporated in 1992, Bazon-Cox and Associates, Inc., (BaCo), has been at the forefront of the information technology revolution. The company founder and owner, Mr. Anderson H. Cox, started the company with clear visions of a high technological company that would provide telecommunication engineering and technical support services to commercial and Government clients throughout the world. Today, his visions have become a reality. BaCo has established a reputation for high quality products and services worldwide.

BaCo is a service-disabled veteran-owned small business headquartered in Chesapeake, VA centrally located in the large military complex of Hampton Roads. BaCo is ideally situated to remain firmly entrenched as a leader in the telecommunications industry.

## HISTORY OF BACO

Since its inception and incorporation BaCo has provided telecommunication system design, installation, and technical support services to a wide variety of commercial, city, state, and federal clients. A sampling of our major clients include the Department of Defense (U.S. Navy, and U.S. Air Force), NCTAMSLANT, National Security Agency (NSA) Forensics Laboratory, Consolidated Personnel Management Service, Bell Atlantic Federal Systems, GTE South, Lucent Technologies, General Dynamics, NATO, US Department of State, SPAWAR Charleston, Virginia Department of Transportation (VDOT) Shorewood Packaging, Anheuser Busch, JAAAT Technical Services, Virginia Commonwealth University (VCU), Virginia Beach Public Schools & City of Virginia Beach
